

## What is Paint It Pink?

Each October, businesses, organizations and individuals will come together to paint the town **pink**. Paint Puget Sound PINK is a group of dedicated people who support Komen Puget Sound's vision of a world without breast cancer.

## Why Paint It Pink?

When you participate in Paint it Pink, you raise awareness and funds for Komen Puget Sound, helping to provide life-saving mammograms, patient assistance and quality care for women in the Puget Sound.

Komen Puget Sound works to **save lives, empower people, ensure quality care for all and energize science to find the cures**. In 2015, Komen Puget Sound awarded more than \$700,000 in grants to provide vital services to thousands of low-income and underserved women, including:

- Breast cancer screenings
- Financial support during treatment
- Personal assistance to navigate the health care system and receive lifesaving treatments and resources.

75% of net funds raised are invested locally in breast health education and outreach, screening and treatment support programs. 25% of net funds are dedicated to global research to find the cures. \$150 funds a lifesaving mammogram through Komen's community grants program.

## Get Involved

Interested in participating in Paint It Pink? Getting involved is easy! Simply complete the Paint It Pink interest form and submit it to Tina Burns at [Tina@pskomen.org](mailto:Tina@pskomen.org).
