KOMEN® PUGET SOUND PREMIERS NEW MORE THAN PINK WALK™ EVENT IN 2019

New Approach Improves Connection to Komen's Lifesaving Work

SEATTLE – Susan G. Komen Puget Sound announced key changes to its annual community fundraising event. Komen is debuting the next evolution in its signature fundraising event series – the Susan G. Komen MORE THAN PINK Walk™ (formerly known as the Susan G. Komen Race for the Cure®) – which will be held on Sunday, June 2nd at Seward Park.

The MORE THAN PINK Walk™ brings together an empowered community to raise funds for breast cancer treatment, patient advocacy and lifesaving research.

The event will include a fresh new experience that demonstrates how the fundraising efforts of every participant fuels lifesaving research, critical patient care, needed community programs and public policy advocacy in a personal and powerful way. The MORE THAN PINK Walk™ ensures that participants have a clear understanding of the value they provide in Susan G. Komen's overall mission and how their fundraising makes an impact in the fight against breast cancer.

“Much of what you have come to love about the Race will continue with our new MORE THAN PINK Walk™,” said David Richart, Komen Puget Sound executive director. “The MORE THAN PINK Walk™ provides an opportunity to come together to share stories, memories and tears while uniting behind a commitment to fight this devastating disease by raising money to save lives.”

Rather than including a timed run element, this inspiring family-friendly event joins participants of all ages and abilities, coming together as one, and supporting those affected by breast cancer today, while helping to search for tomorrow's cures. This change will create a greater sense of community among participants and will provide a personalized, emotional experience for all who attend.

“We're excited about this evolution of our signature community event and encourage everyone to register and begin fundraising! We look forward to seeing everyone walking on June 2nd, it will be a day of inspiration and hope as we honor those we have lost, celebrate those who have survived and support everyone currently living with breast cancer,” added David Richart. “Come walk with us!”
